

Dragon Trail is UAB Career Services' career management site, and will be used to post all **MPH internship opportunities**. In addition to these listings, Dragon Trail will give you access to:

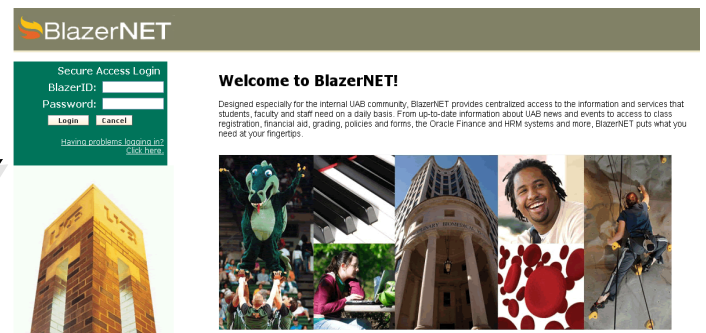

- Job listings and career information
- Uploading your resume or CV for review
- Viewing the calendar of events, seminars and career programs
- Various programs including an online virtual mock interview program

Accessing Dragon Trail

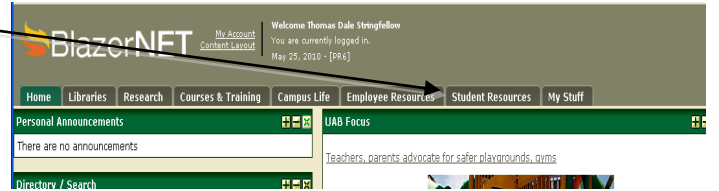

To access Dragon Trail, you will need your BlazerID and Password.

Note: Make sure all pop-up blockers are turned off before login

Step 1. Go to BlazerNET and enter your BlazerID and password to LOGIN.

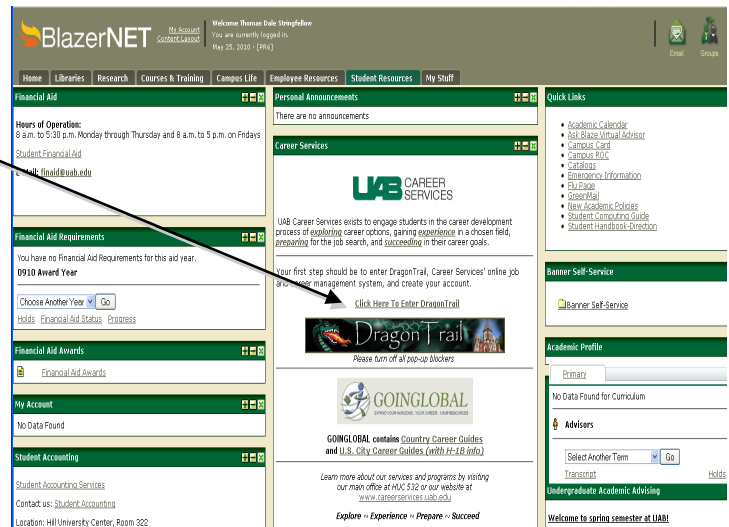

Step 2. Select the Student Resources tab.

Step 3. Scroll to the Career Services section and click above the Dragon Trail logo.

If you are a first time user of Dragon Trail, you will automatically go to the authorization form and after selecting agree, will give you access to Dragon Trail.

If you are a returning user, you will go directly to the Welcome page of Dragon Trail.

How to Use Dragon Trail to Apply to MPH Internships

- After logging in to DragonTrail, you can create your resume and have it critiqued. Locate the tool bar at the top of the DragonTrail screen. Select “**Upload Resume/Documents**”, and click the “**+ Add New**” tab to **upload an existing document (not a PDF)**. Make sure to designate the resume you wish employers to view as your “Default” resume.
- Once your resume has been approved, you are ready to search for a MPH internship opportunity. *After your first resume/ CV and cover letter are approved, all additional documents of that type will automatically be approved in the system.*
- Under Quick links, click “**Jobs I Qualify For**” to view only jobs in the system which match your profile instead of displaying all positions in the system.
- Search by keyword for **MPH Internship**. This will bring up all current MPH internship listings in the system. The employer listed will be “UAB School of Public Health—MPH Internships”. Read through the opportunities that are of interest to you.
- If you are interested in applying to the position, click the “**Apply**” button. Note that most positions require a resume/CV and a cover letter. You must have both documents approved before you are able to apply.
- Select the documents you wish to submit. Select “**Submit**” to complete your application for the internship position.
